

INSTRUCTIONS FOR SPA VISITORS

- Don't come to the spa if you are sick!
- Wash your hands carefully and cough and sneeze correctly
- Wait for your turn at the spa reception and keep the safety distance
- We have only a limited amount of lockers in use
- The keychain has been disinfected, but wipe the cabinet and door handle with a disposable disinfectant wipe
- Take care of your towels and safe storage of detergents throughout your stay at the spa
- Remember to keep the safety distance when dealing with other customers and staff
- Enter the sauna and pool via shower
- Use a disposable pellet in the sauna, and put it in the trash after use
- Follow the pool-specific instructions regarding the number of people
- Staff have the right to interfere with the situation if instructions are not followed
- Max 1,5 hours / visit
- Visiting the spa at your own risk
